

Brownvale Community and District Library

February 2025 Update

1. 3 new members for the month. I have also contacted expired members and many have renewed for the year.
2. We now have our phone line at the Library, it was installed February 24,2025. Jamye from PLS system came out and set it up and gave me a lesson on how to use the new system. New number is **587-747-4734**.
3. April 28 we will be joining with Grimshaw Community Services to have a Volunteer Celebration at the Library, they will be bringing donuts and door prizes. We should have 2 of the giant games from PLS and I will figure out a mini craft to do.
4. Upcoming workshops
Norma's card March 1 and Gnomes March 8.
5. The year round pantry is now up and running, just a bit of things to give a helping hand if someone needs it.
6. We have a new desk and are looking at building shelves behind it now to give it a more professional look.
