Subject: EHC North Open House Invitation

We would like to personally invite you and your council:

Lac Cardinal Country has partnered with the Rural Development Network's (RDN) Sustainable Housing Initiative (SHI) to research how to improve housing choice and enable diverse housing development in its communities

The project team would like to invite you to either of our virtual open house sessions on June 12 and June 17 to discuss your perspectives on key opportunities and challenges associated with enabling housing development in Lac Cardinal Country. We are keen to hear your thoughts and ideas surrounding this important issue.

While the open house will be held over 2 hours in person, the Enabling Housing Choice North Project Engagement Team will be joining you all via Zoom to lead the open house discussion.

Note that all open house participant's data will be anonymous, and there will be no attribution whatsoever to the responses you provide during the session.

Open House Details:

1st Open House Session:

- *Where: MacKenzie Municipal Services Agency (MMSA) Building - Berwyn, Alberta 5109 51 St.*
- *When: June 12 from 6:00 - 8:00 PM (MST)*

2nd Open House Session:

- *Where: Grimshaw Town Office - Grimshaw, Alberta 4612 50 St.*
- *When: June 17 from 6:00 - 8:00 PM (MST)*

Furthermore, if you are unable to attend either of the open house sessions, we would like to extend an invitation for you to participate in a housing focus group or interview session (date to be determined) to further gauge your thoughts and opinions on housing in Lac Cardinal Country. If this is of interest to you, we would appreciate you letting us know!

Looking forward to hearing from you!
