

RATEPAYER REQUESTS & WORK PROGRAM FOLLOW-UP - NOVEMBER 12, 2024 COUNCIL MEETING

RATEPAYER REQUESTS

Date	Location	Landowner	Nature of Request	Status of Job
28-Oct-24	0.75 mile south of Berwyn	Wendy Pimm	Bear in a culvert - Public works responded but did not find the bear	Complete
24-Oct-24	North of Highway 2 on RGE RD 222 SE-34-83-22-W5.	Jennifer Sych-Gravel	Called to request that the road in front of their place be graded. She said that there is not much gravel on it so when it snowed last weekend it just turned to mud.	Complete
8-Oct-24	Highway by Berwyn		Cow on the highway - Barry went to look and the cow went back under the fence	Complete
8-Oct-24	TWP 820	Matthew McCorkle	Flood water on TWP 820	Complete
Sep 10, 2024	TWP 820A	PRSD - Merlin Lee	Grading on TWP 820A school bus route - GRADED	Complete
Sep 10, 2024	Range Road 243	Alfred Olsen	Alfred said that the road was really good and now it is really muddy and not a good road, he would like it to be looked at. WE GRADED IT	Complete
Sep 10, 2024	SW-7-82-24-W5.	Paul Sorensen	Paul would like the approach widened at the north corner of SW-7-82-24-W5. The present crossing has a big hump on it.	Complete
Sep 10, 2024	RR262	Arlene Kamienicki	RR 262 North of HWY 2. Very rough and needs to be graded - WE GRADED IT	Complete
Sep 10, 2024	NW-33-82-24-W5	Glenda Shaw	Glenda Shaw called to let us know that the mowers took out their rural address sign (Blue sign) - WE ORDERED A NEW SIGN	Complete
Sep 9, 2024	Range Road 232 and Township Road 832	Darian Szmata	The culvert almost directly across from his driveway is blocked and backing up. He believes beavers are responsible. Ditch is full of water on both sides and now encroaching on the road and up into his yard site. <i>Removed Beaver Dam on creek on North side of road within our R.O.W. There are more dams on the creek off the right of way on private lane.</i>	Complete
Aug 30, 2024	Road sign 833041	Darrell Hogbin	Darrell would like his driveway graded, he is north of Grimshaw, just past the elevator.	Complete
Aug 30, 2024	Rang Road 251	Morley Messner	Would like some gravel to be put in some mud holes on range road 251. The road is not normally graded as it is the road down to his pastures. <i>Filled in holes with pit run</i>	Complete
Aug 28, 2024			Hot Tub on Road - Removed	Complete
Aug 28, 2024	Range Road 241	Allen Martin	The 1st road north of Queen Elizabeth Park needs to be graded, there is lots of moguls in the road. WE GRADED IT	Complete

Date	Location	Landowner	Nature of Request	Status of Job
Aug 28, 2024	The field just north of the office, behind 5406-53 Street, Berwyn.	Don Hale	Made a complaint about the Canada Thistle in the field behind 5406-53 Street, Berwyn, the field just north of the office here. He indicated he made the same complaint last year but no results. <i>The Manager of Ag Services visited the site, took photographs at 9:04 am, August 29, 2024. Sent the photographs of the infestation to the property owner, the property owner responded the weed in question will be controlled.</i>	Complete
August 27, 2024	SW-7-82-25-W5	Greg Felt	Widen approach - put in 600m pipe	Complete
August 26, 2024	NE8-82-24-W5	Allison Estabrook	Widen approach - put in 600m pipe	Complete
August 26, 2024	SE35-82-24-W5	Niels Sorensen	Widen approach - put in 600m pipe	Complete

1-Aug-24	RR231	Kimberley Jess	State of Golf Course Road	Graded
30-Jul-24	Township Road 825	Vos	Too much gravel on the shoulder of the road, she cannot ride her bike.	Spoke with grader operator
3-Jul-24	RR 234	Tow Truck Driver	East of Grimshaw on RR234 a vehicle roll over resulted in the stop sign being knocked over - the sign is okay but a new post is needed.	Complete
26-Jun-24	RR 231	Adele Boucher	the Range Road 231 sign has been knocked over and the post must be replaced and the sign returned to its original position	Complete
27-Jun-24	RR224	Orren Ford	Orren indicates RR224 traveling towards guest ranch from the hwy headed south needs to be graded/graveled. All the way down to the tracks	graded on June 28th
4-Jun-24	Brownvale	George Evans	Requires gravel to fill in a low spot in front of his house.	In Progress
4-Jun-24	NW28-81-25-W5	Martin Eastman	Requires gravel to cover his new approach.	Finished
2024 WORK PROGRAM				
Summer 2024		MD of Peace	Clean up the 10 lots in the Cessna subdivision that the MD purchased in 2023 - This is going to be more difficult as there is a farmer renting this area.	Planning
Summer 2024	RR 255		Rebuild ditch on RR 255 South of Township 812 - requires a berm to be built to retain the water in the ditch so it doesn't overflow the ditch and flood the landowners field.	Planning
Spring 2024	Landfill	MD of Peace	Complete reclamation of the old landfill.	Ongoing
