Stay in your vehicle at all times, except in a designated tarping zone.

Gravel sales are subject to the following terms and conditions:

MD of Peace No. 135

2025 GRAVEL PURCHASE APPLICATION

1. The sale of 3/4" crushed road gravel is set at an annual maximum of 200 metric tons per resident to ensure that the MD is not competing with local gravel suppliers, and the MD retains an adequate quantity of road gravel for maintenance activities.

The sale of 'reject gravel' and 'pit run' have no annual maximum quantity, while supplies last.

2. A minimum purchase of 3 tons of any single material is required.
3. Interested parties are required to purchase their gravel tickets no later than 5 days prior to the sales date they intend to pick up purchased materials. Individuals arriving at an MD gravel pit on a sales date without a purchased gravel ticket will not be loaded, and sales will not be made by MD staff in a pit.
4. The purchase price of any gravel ticket(s) not redeemed on the specified sale date will be void. Tickets must be returned to the MD of Peace office before December 31st of the year purchased to receive a refund or be transferred to a different sale day, if available.
5. The purchaser, or any party hauling aggregate on the purchaser's behalf, is responsible for ensuring that their hauling equipment is engineered to be loaded using mechanical loading equipment, may legally transport loose aggregates, and is legally rated to haul the weight of the purchased quantity of material.
6. The MD loader operator retains the right to, at their sole discretion, refuse to load any vehicle deemed unsuitable for loading or hauling, or for safety concerns.

Pickup trucks and utility trailers will not be loaded.

Engineered dump trailers will only be loaded with prior approval from the Director of Operations. Specifications, dimensions, and a photo of the dump trailer must be provided to receive approval.

MD of Peace No. 135

2025 GRAVEL PURCHASE APPLICATION

7. Purchasers planning to have gravel picked up and hauled by another party must provide their gravel ticket to the party picking up the material on the specified sale date.

MD of Peace No. 135

2025 GRAVEL PURCHASE APPLICATION

8. All members of the public must remain in their vehicles, follow posted signage, and obey instructions from MD staff. Any individuals not adhering to signage or MD staff will be required to exit the site and may not be permitted to enter MD-owned gravel pit sites in the future.
9. Vehicles must leave the loading area upon receipt of material and move to a designated area for tarping and preparing their load for transport or exit the gravel pit.
10. Gravel will only be loaded with MD equipment operated by an MD employee. Privately owned equipment and hand-loading of materials are not permitted.

By signing below, I confirm that I have read, understand, and agree to the above terms and conditions.
